Feb. 25 /PRNewswire/ -- Scientific analysis of limestone ossuaries (bone boxes) and physical evidence found in a 2,000-year-old tomb in Talpiot, Jerusalem, provide credible new information that the tomb once may have held the remains of Jesus of Nazareth and his family. A new Discovery Channel documentary THE LOST TOMB OF JESUS, from executive producer James Cameron and director Simcha Jacobovici, exclusively reveals what might be the greatest archaeological find in history. The film presents the latest evidence from world-renowned experts in Aramaic script, ancient DNA analysis, forensics, archaeology and statistics. Among the major discoveries chronicled in the program is new evidence that Jesus and Mary Magdalene, also known as "Mariamene e Mara," may have had a son named Judah.

THE LOST TOMB OF JESUS, which premieres on Sunday, March 4, at 9 PM ET/PT on Discovery Channel, follows an investigative journey into the identities of and relationships among 10 ossuaries, which originally were discovered more than 25 years ago but never were connected conclusively.

I AM Kuthumi.

My I AM Presence welcomes you on this day of 2:27:2007. This is a day of 2:99. This day opens the temple pillars into the Mastery of 99. 99 signifies the potential to make a quantum shift in consciousness from which to begin a new level of Mastery.

99 signifies this enjoiner from All Masters and from the One:

Balance Love-Wisdom-Power.

The numerology vibration of this phrase is 99, consisting of 44 in the numerology of vowels and 55 in the numerology of the consonants.

b a l a n c e l o v e w i s d o m p o w e r
2 1 3 1 5 3 5 3 6 4 5 5 9 1 4 6 4 7 6 5 5 9

All Letters = 99
All Vowels = 44
All Consonants = 55

The Master Numbers 44 and 55 create the combination for the quantum shift of 99.

44 is the balance between spiritual and physical. It is the foundation for your New Lives.

55 is the attainment of personal freedom by being totally free of the past and totally authentic in the Now.

This is the enjoiner of Divine Consciousness today: Balance your personal trinity of Love-Wisdom-Power so that within you own Divine Consciousness you may seek and know Truth. Truth resides within you because you are within the One. You are One with the Divine. This is the same vibration of another 99 encoded phrase:

Monad Love-Wisdom-Power

m o n a d l o v e w i s d o m p o w e r
4 6 5 1 4 3 6 4 5 5 9 1 4 6 4 7 6 5 5 9

All Letters = 99
All Vowels = 44
All Consonants = 55

What is the Monad? It is One.

The Pythagorean Monad Symbol

From Wikipedia.com

Monad is an English term meaning "one," "single," or "unit". It comes from the Late Latin stem monad-, which comes from the Greek word *monos* or μονός (from the word μόνος, which means "one", "single", or "unique").

- [Monad \(symbol\)](#), For many others, including Pythagoras, Parmenides, Xenophanes, Plato, Aristotle, and Plotinus, Monad was a term for [God](#) or the first being, or the totality of all beings. Monad being the source or the One meaning without division.

What comes after 99? 100, the symbol of the 1-0-0 or I Love in Infinity 00.

Access your own connection to the Monad today. This opens the Primary Trinity into Balance Love Wisdom Power on this day of 2:27:2007, 11/2 and 2:99.

Now, my I AM Presence turns this discourse to my co-teacher on the Ray of Love and Wisdom, the One Known by many as Sananda, the One Known by many as Jesus. Blessed Be the One.

Master Kuthumi.

We welcome you on this sacred day of 2:99. We are Sananda-Jeshua and Nada-Mariamene. We speak to you of Love and Truth.

The lost tombs of Jesus and Mary are the true tombs our families put in place to protect the sanctity of the Christ-Nada consciousness. Our bodies were not in the tombs. It changes nothing of Truth. Our genetic lineage is in the tombs. Our families and our followers protected the True Secret. The True Secret is that one does not have to leave the body behind in Ascension. This is the greatest Secret. It was and continues to be very threatening to those in power and in apparent “control” because they do not know the Secret of Ascension which is only one thing: Love.

The tombs or ossuaries protect the Secret. Our families knew that there had to be a tomb and there had to be a body inside the tomb. But these were not our bodies. As our family members, our genetic lineage “died” natural deaths, one male was placed inside the tomb of Jeshua and one female was placed inside the tomb of Mary or Mariamene. These family members agreed to this – to leave their physical bodies in the tombs marked with the names of Jeshua-Mariamene. There was great honor in this. In this way, many Divine Purposes were served.

- 1) There is related genetic material inside the tombs, the mitochondrial DNA. The human remains provided the appearance and “proof” that there were actual bodies inside. These bodies **are** genetically related to our beings but were not our physical selves.

- 2) Second, to have physical tombs and bodies in the tombs created the illusion of physical death so that those in power would not crush the tender beginnings of the spreading of Jeshua and Mary's message: Thou Shalt Love. The Truth is in the Resurrection and in the Ascension, not in the death and the suffering. Those in power would believe that the I AM Presence of Jeshua was physically dead. God looked on and said "This is Good."
- 3) Also, the tombs were created by our families so those in power would not look for my Beloved Mariamene. She was sought after because she saw My Christed Resurrection and was speaking the Truth. She was sought after because it was rumored that she carried the Seed of the Christed One inside her body, her Holy Grail. Because of this, our families claimed that Mariamene, in her time, had also died. But she had not died, she had left with Joseph of Arithmea to go into Europe to Preserve the Blood of the Holy Grail.
- 4) The tombs were created by our families to honor the passing of those whose time was not yet come to move into Ascension. One of these was the Son Judah (the Praised One) of Jesus and Mary. Yes, there was a son. But he died so that his mother could live. We will speak of this at another time. There was also a daughter, carried in the womb of Mariamene out of the Holy Land and into safety.
- 5) The tombs served the Divine Purpose of allowing our Truth to Survive in the face of great persecution and the power brought to bear on the total destruction of the One Truth: Thou Shalt Love, and all that this means to humanity. If there were no tombs and no bodies, then there truly was no death. So our families created the tombs, and created the appearance of physical death of Jesus and Mary. All other family members in the tombs are the True Family of Jesus and Mary. Our remains are not there because we ascended with our physical bodies, just as do All Masters.

So our Beloveds, allow yourself to see the Truth come to Light, and to Know that there is a deeper Truth behind even this truth. There will be great debate, denial and fear around how this "discovery" changes things. It changes no-thing. Because there is One Truth:

Love

Observe how those in power still wish to create doubt, to create fear and to create dispute. You, all of you, who are not in apparent positions of Power, you may know the Truth and act from it:

Love

There is no need or reason to debate.

**Love is intangible but Love is what Creates.
Truth is Invisible but Truth is Immutable.**

Watch the unfolding of Love and Truth. Discern in your Hearts, Our Beloveds of the One Truth, and you will Know the Truth by our Names:

John 8:31 To those who had believed him, Jesus said, "If you hold to my teaching, you are really my disciples. 32 Then you will know the truth, and the truth will set you free."

This is the One Commandment from the One Source, the Monad:

John 8:17 This is my command: Love each other.

Blessed Be the One.
