

10-28-2008

The Masters Hilarion and Birgit of the Celtic Isles, address the New Scorpio Moon and Samhain.

111 and 111-1

We welcome you on this morning of the New Moon in Scorpio, on a day of 111. 10-28-28 is a powerful day to remember why you came here and what you are here to do. It is time to allow a breakdown of all things that are delaying your full emancipation and emergence into the New World Order of Balanced Interdependence. To fully enter this Galactic Family, you must break up old patterns and beliefs. We are inviting you to:

Embody the Way, the Truth, and the Dark Whole-Eternal Light.

(222 calibration)

If you have been feeling increasingly accelerated, your soul is actively participating in the breakthrough which is greatly amplified in this dark moon time just before Samhain. This acceleration takes many forms, depending on your own energy makeup: agitation, insomnia, worry, doubt, paralysis of will, stirring up of old challenges and issues, re-emergence of addiction patterns, fear of annihilation, lack of foundation and grounding and fatigue-malaise. The accelerated energy can also take the form of peace, deeper relaxation, heightened awareness of the signs and symbols in your life, intense feeling of connection to everything and everyone around you, tears of joy at the smallest of things, and great bellyfuls of laughter as you allow yourself to emerge from the veils that have surrounded the earth for many, many centuries. Do not judge any of your experience, for it is all divinely orchestrated by the Cosmic Conductors.

The energy accelerations are preparing you for a great unfolding of a number of events. Among one of them is the Return of the *Cosmic Family of St. Germain*. (111 calibration) We believe that you understand who these beings are and further, that you know you are them and they are you. Who are the recipients of this long awaited event? All of you who trust enough to surrender to Divine Will, to let go of egoic control and unbind yourself from fear.

In this time of intense alignment, whatever contracts you have made, anywhere in your soul history can be broken up in spiritually aligned consciousness. Whatever agreements and vows you have entered into under the veil of illusion and ignorance, may be broken apart. Whatever dis-eases you have brought into this Now may be broken down in order to restore your Divine Blueprint. Whatever wrongs you have committed or have been committed against you, may be forgiven. We enjoin you, our friends, break fast, break fast, break fast. You have been thirsting and hungering for connection and it is upon and within you now!

Samhain ignites and burns in bonfire ceremony, all things that you are ready to let go of. Samhain is on 11-1-2008 – 11-1, a day of 4, which indicates new structure in the midst of chaos. Are you consciously creating your life? If so, take this interval between the darkness of the New Moon and the fire light of Samhain to write an epistle on what you are letting go of; in the bonfires of Samhain, send your epistle into the fire for emancipation and celebrate the Emergence of the new archetype of the New Age, the Inner Healer.

**You are all apostles of the Cosmic Healers,
worthy of writing an epistle to all of humanity.**

Will you keep silent the voice of your Inner Healer who knows, by Divine Right, what you need to end this cycle of chaos and repressed energy? Or will you risk everything (while risking no-thing) and declare to the One Eternal Soul, that you are embracing your True Self, True Soul and True Purpose in the World?

epistle ⁱ

from L. *epistola* "letter," from Gk. *epistole* "message, letter," from *epistellein* "send to," from *epi-* "to" + *stellein* "send." Specific sense of "letter from an apostle forming part of canonical scripture" is c.1200

apostle

O.E. *apostol* "messenger," from Gk. *apostolos* "messenger, person sent forth". Fig. sense of "chief advocate of a new principle or system" is from 1810

You apostles are the chief advocates of the new order. Remember, WE (and many Masters) are calibrating your energies by the precipitation of vibration into your soul essence. The 110 htz frequencies open you to spiritual attunement, and the 111 and 222 frequencies are clearing your systems if you choose to open to receive the connections to the 111 crystal grids of Trinity.

In the Aura-Soma system of Color Therapy for the Soul, #49 is called the New Messenger, and #62 is Great Inner Teacher, Maha Chohan. Maha Chohan is an inner teacher of the High Heart. We have long identified the New Messenger as Melchizedek, King of Righteousness whose blessing brings forth prosperity for the sons and daughters of New Jerusalem.

As is written in the Dead Sea Scroll numbered **11Q13**, Melchizedek will proclaim the "Day of **Atonement**". This day, At-One-Ment, is coming fast. Heralding the advance of this Day, is the Return of the Shining Ones. The Shining Ones are 144,000 beings seeded into earth's grids to break through the veils. They have been among you for quite some time and are reappearing in greater and greater numbers. These are what you call orbs. Each one can multiply itself by 12.

You will see them in the Fires of Samhain, as the dark whole and eternal light combine into a Fire Fractal of Free Will.

The Shining Ones come to remind you that you are never alone, that we are all one and that dark and light are balanced in the Heart of the Divine. Sing with them, play with them, dance with them, for they are the joyous heralds of the Cosmic Healers.

Fire Wheel by Virginia Heinen

You have not had full possession of your own free will for eons of time. You have been under the veils of illusion and ignorance. The time of veils (evil, devil, etc.) is fast coming to an end. Go into your sanctuary with your own Inner Teacher, write your epistle, emerge into the Fire Fractal of Free Will and Rejoice, for the New Messenger will proclaim the Day of Atonement and that time is coming very soon.

Namaste,

Master Hilarion and Master Birgit.
